EXCESSIVE SIGN-UPS

Sometimes more than the maximum number of players (128) sign up for our tournaments. When this happens, Tournament Chairman Rod Wells uses a computer selected random list of all members and has to call the number of members in excess of 128. He informs them that they will not be able to play in that event. (NTSGA By-Laws Article VI, Section 5). Don't feel as if you're being picked upon, as you will not be excluded from a tournament again until all 200 members have been screened and forced to sit out an event.

SHOOTING YOUR AGE:

Posting a golf score equal to or less than your age is a grand accomplishment for a senior golfer. On the PGA tour, the record belongs to Sam Snead who at age 67 recorded a 66 in the Quad Cities Open.

It is a rare feat indeed and as hard as golfers try, most golfers will never shoot their age. Maintaining ones health and retaining a great deal of coordination seem to be keys to the ability for a golfer to shoot his/her age.

AGE SHOOTERS, January

HOLE-IN-ONE: BUTCH VAUT

As an NTSGA member for 12 years, Butch Vaut recorded the first hole-in-one of the 2015 season when he aced Hole #8 (old #17) at Waterview Golf Club on Jan 14. Butch hit 6 iron exactly 155 yards to record the 2nd ace of his playing career. Playing partners witnessing Butch's great shot were Ollie Cromwell, Tom Hatfield and Rod Patefield.

Butch grew up in Oklahoma City attending local schools before graduating from the University of Oklahoma. He served proudly in the United States Army as a Communications Specialist while stationed at Ft. Ord, California. After military service, Butch worked in the Telecom industry for 38 years while the company underwent several name changes from Western Electric, AT&T and Lucent Technologies. Butch has been our NTSGA Club Champion 5 out of the last 12 years. NTSGA is proud to present Butch with \$200.00 for his hole-in-one.

CONGRATULATIONS, BUTCH VAUT!

ATTENTION: 75 & OLDER

Members 75 and older have the opportunity to play from the first tees forward of the rest of the field. In an effort to ensure handicaps accurately reflect scores from different tees, the handicap committee must be aware of those members playing from the forward tees. If you meet the age requirement, and are playing from these forward tees, you must inform Handicap Chairman, Howie Bacharach. You can do so by emailing him at HBacharach@aol.com or calling him at 972-620-2602.

COURTESIES...

The North Texas Senior Golf Association has a wonderful reputation around the Metroplex at all the golf courses we play. Tournament Chairman, Rod Wells has worked very hard to schedule challenging courses at golf clubs and Country Clubs in the DFW area. When we play these courses, we must adhere to all the proper golf course etiquette associated with the great game. All members are asked to rake the sand traps, deposit sand in fairway divots, fix ball marks on the greens and conform to all cart signs keeping the carts on the cart paths when requested. The positioning of a "No Carts" sign is because the course is trying to let the grass grow in a barren area or a low spot that collects water and is usually wet or muddy.

After our 4 tournaments in January, course marshals have reported our members driving carts in "No Carts" areas and very close to course greens. **This practice must stop immediately.** There is never a reason why a cart should be off the cart path when next to a green or a tee box. Your adherence to this small courtesy of maintaining course conditioning and common sense will continue to enhance the good name of NTSGA.

HOLE-IN-ONE: FRANK RILEY

In an attempt to keep up with Butch Vaut's hole-in-one earlier last month, Frank Riley recorded his very first hole-in-one at Hurricane Creek C.C. on January 28. On a beautiful January day in Anna, Frank aced the 16th hole using his 5 iron. Measuring 151 yards, Frank's great shot was witnessed by playing partners LeRoy Worm, former President Bob Coburn and Treasurer Pete Schoemann. Frank has been a loyal member of the North Texas Senior Golf Association for 21 years, serving as our President in 2001 and as Handicap Chairman/2-man team Coordinator for 12 years. Frank served proudly in the U.S. Air Force for 4 years as an Air Traffic Controller working in the Republic of Korea, South Dakota and Tennessee. Following military service, Frank was employed by the Federal Aviation Administration as the Asst. Chief Controller making stops in Atlanta, Knoxville, Dallas Love Field, Amarillo and DFW International Airport for 30 years. NTSGA is proud to present Frank with \$200.00 for his hole-in-one.

CONGRATULATIONS, FRANK RILEY!

FUNNY...

A Jewish gentleman and an Arab go into a bakery. The Arab steals three pastries and puts them in his pocket.

He says to the Jew, "See how slick I am? The owner didn't see or suspect a thing."

The Jew says to the Arab, "That's so dishonest of you Arabs. I am going to show you an honest way to get the same results."

He goes to the owner of the bakery and says, "Give me a pastry and I will show you a magic trick."

Intrigued, the owner accepts and gives him a pastry. The Jew swallows it and asks for another one. The owner gives him another one and he eats that one also. Then the Jew asks for a third pastry and eats that, too. The owner is starting to wonder where the magic trick is and asks, "What did you do with the three pastries?"

The Jew replies, "Look in the Arab's pocket!"
