A VERY ACTIVE GOLFER.....

Two year NTSGA member **Harold Lockman** has already played in 41 of our events this year and intends to play in the remaining 6 tournaments. More astounding than the number of tournaments he plays, are the number of times he shoots his age. A golfer shooting his age is a great accomplishment for a senior golfer as his skills are supposed to diminish as one gets older. **Harold** first shot his age when he was 67 and has now shot his age 901 times in the last 15 years. He did not start playing golf until he was 28 after serving 2 years in the U.S. Army. **Harold** grew up in Hooks, TX and has now lived in the Ft. Worth/Mid-cities area for 45 years. His civilian employment included 30 years with the Anodite Corporation specializing in metal formulating and chemical milling associated with the B-767 aircraft.

Harold has recorded 5 holes-in-one during his golfing days and in 2005 played an astonishing 411 rounds of golf. He will turn 83 this month and most probably shoot his age at every one of our tournaments next year.

Congratulations, on an amazing golf accomplishment, **HAROLD LOCKMAN**.

FUNNY.....

Little Larry attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Larry asked, "Dad, why are you doing that?" His father replied, "Because when I'm buying horses, I have to make sure that they are healthy and in good shape before I buy." Larry, looking worried, said, "Dad, I think the UPS guy wants to buy Mom

Happy Thanksgiving to you and all of your families.
