## BUNKER PLAY...

USGA altered the rules for golf in 2019 regarding bunker play. Loose impediments (rocks, twigs, leaves, etc.) may now be moved without penalty. You cannot touch the sand with your club in the area right in front of or right behind your ball, during your backswing or in taking practice swings.

#### FUNNY:

A guy comes home completely drunk one night, lurching through the front door and is met by his scowling wife, who is most definitely not happy.

"Where the hell have you been all night?" she demands.

"At this fantastic new bar" he says. "The Golden Saloon, where everything there is golden."

It's got huge golden doors, a golden floor; the works...hell, even the urinals are gold!"

The wife still doesn't believe his story and the next day checks the phone book, finding a place across town called the Golden Saloon.

She calls up the place to check her husband's story.

"Is this the Golden Saloon?" she asks when bartender answers the phone. "Yes it is," the bartender answers.

"Do you have huge golden doors?" "Sure do." The bartender replies.

"Do you have golden floors?" "Most certainly do, ma'am".

"What about golden urinals?" There's a long pause, then the woman hears the bartender yelling...

"Hey Duke, I think I got a lead on the guy that pee'd in your saxophone last night!"
