BOB MURPHY...100!

Bob Murphy played golf with NTSGA for 12 years. He was a well-liked golfer and a true gentleman to all of our members. He turns 100 years of age on October 6th and the NTSGA Board of Directors is asking members to flood Bob's mailbox with Happy Birthday cards. Individual cards are fine and if you desire to send cards with many signatures...that would be fine also.

Bob served proudly in the U. S. Navy during WWII and is a retired newspaper executive retiring after 39 years in the industry.

We know Bob will get a kick out of receiving Birthday wishes to let him know how his friendship to NTSGA members is cherished.

Bob's address is: 3033 E. Hebron Pkwy, Apt. 1218
Carrollton, TX 75010

Thank You.

NO, NO...

NTSGA adheres to USGA golf rules with some small alterations to allow for more enjoyment for senior golfers. Practice chipping/pitching between holes when participating in a stroke play tournament is not allowed. (USGA Rule 5.3b). You may make practice putting strokes on the hole just completed, providing you are not delaying play for the foursome waiting to hit their approach shots. With 128 golfers participating in our events, you'll probably be holding up the next group during our tournament by delaying on the previous green. Practice putting during a round may also occur on a practice putting green when the green is located between two regulation holes, example, perhaps between Holes 9 and 10, however, again we ask you not to do this in the interest of keeping play moving to finish the round without undue delay.

FUNNY...

This guy had just finished reading a new book called; How YOU can be the MAN of your own home again!

He stormed into the kitchen and walked directly up to his wife.

Pointing a finger in her face, he said sternly..."Firstly, from now on, YOU need to understand that I AM the MAN of this house and simply accept that what I say goes!"

"Secondly, you will prepare me a gourmet meal tonight and when I'm finished eating my meal, you will serve me a sumptuous dessert afterward."

Then, after dinner, YOU are going to go upstairs with me to our bedroom where we will indulge in whatever forms of lovemaking that I choose, no matter what you might have said in the past."

"After that, YOU are going to draw me a warm bath so that I can relax."

"YOU will wash my back and towel me dry and bring me my robe."

"Then YOU will massage my feet and hands."

"Then after that's done, guess who's going to dress me and comb my hair?"

To which the wife replied..."MY guess would be the funeral director."
